

Ritaglia incolla e classifica secondo i lati

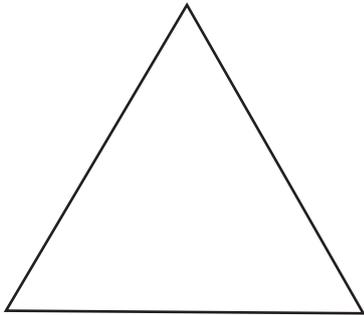

Triangoli equilateri (tre lati uguali - <u>congruenti</u> cioè equivalenti)	Triangoli isosceli (due lati uguali)	Triangoli scaleni (tutti i lati disuguali)

Ritaglia incolla e classifica secondo gli angoli

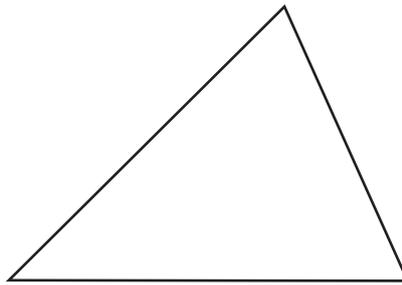

Triangoli acutangoli (tre angoli acuti)	Triangoli ottusangoli (un angolo ottuso)	Triangoli rettangoli (un angolo retto)

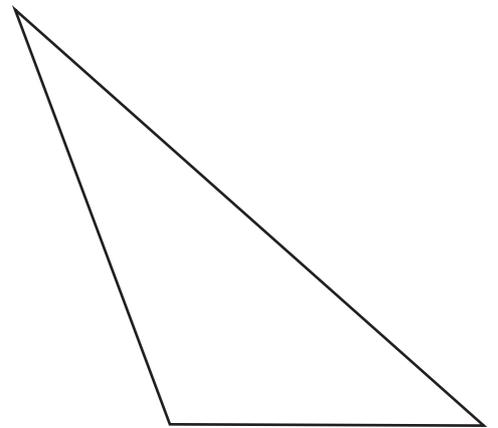

Ritaglia incolla e per ciascun triangolo indica le proprietà direttamente sulla figura

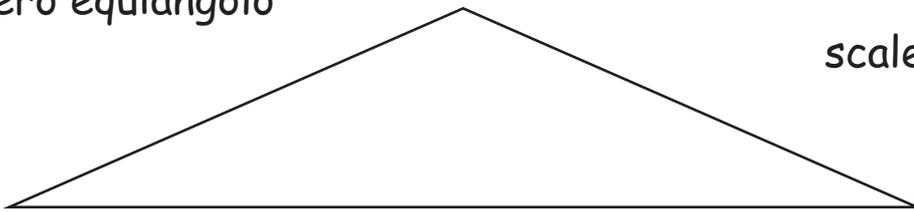

equilatero equiangolo

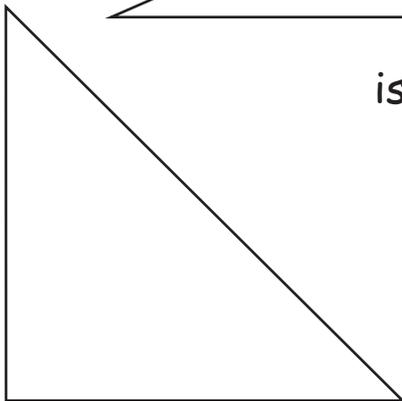

scaleno acutangolo

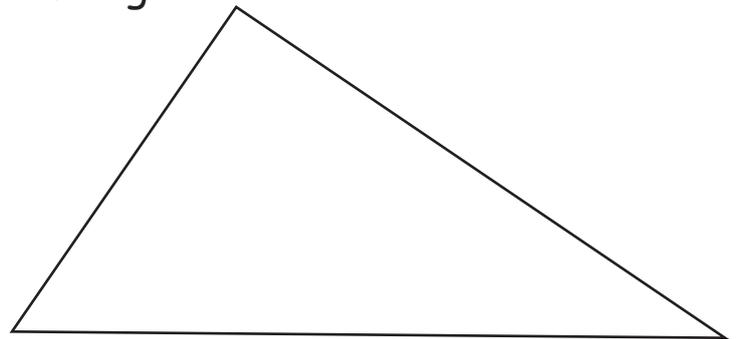

scaleno ottusangolo

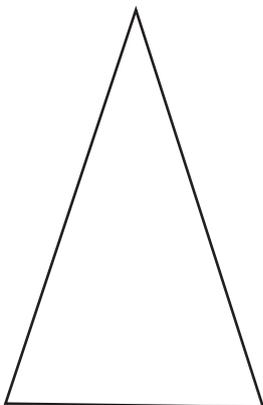

isoscele ottusangolo

rettangolo isoscele

rettangolo scaleno

isoscele acutangolo
